

ATECENTERS

COMMUNITY COLLEGES - PARTNERS WITH INDUSTRY FOR A NEW AMERICAN WORKFORCE

	CENTER	WEB ADDRESS	HOST INSTITUTION(S)
BIOTECHNOLOGY & AGRICULTURAL TECHNOLOGY	1 The National Advanced Technological Education Center of Excellence in Biotechnology (Bio-Link)	www.bio-link.org	City College of San Francisco and six community and technical colleges serving as regional centers
	2 The National Center for Agriscience and Technology Education (AgrowKnowledge)	www.agrowknowledge.org	Kirkwood Community College and fifteen agricultural colleges nationally
CHEMICAL & PROCESS TECHNOLOGY	3 Center for the Advancement of Process Technology (CAPT)	www.capttech.org	College of the Mainland
	4 National Network for Pulp and Paper Technology Training (npt) ²	www.npt2.net	Alabama Southern Community College and three other community colleges serving as regional network nodes
	5 The National Resource Center for Chemistry-Based Technology Education and Information (ChemTechLinks)	www.ChemTechLinks.org	The American Chemical Society
ENGINEERING TECHNOLOGY	6 The California Regional Consortium for Engineering Advances in Technological Education (CREATE)	www.create-california.org	College of the Canyons and six community college partners
	7 National Engineering Technology Education Clearinghouse (NETEC)	www.neteconline.org	Middlesex County College
	8 The Nondestructive Testing Resource Center (NDT)	www.ndt-ed.org	Iowa State University
	9 South Carolina Advanced Technological Education Center of Excellence (SC ATE)	www.scate.org	Florence-Darlington and Piedmont Technical Colleges
	10 National Aerospace Technical Education Center (SpaceTEC)	www.spacetec.org	Brevard Community College and eleven CCITT partner institutions creating a nationwide infrastructure
ENVIRONMENTAL TECHNOLOGY	11 Advanced Technology Environmental Education Center (ATEEC)	www.ateec.org	Eastern Iowa Community College District and partnering colleges
	12 Marine Advanced Technology Education Center (MATE)	www.marinetech.org	Monterey Peninsula College and educational partner institutions across the U.S.
	13 Northwest Center for Sustainable Resources (NCSR)	www.ncsr.org	Chemeketa Community College

National
Science
Foundation

The Advanced Technological Education Centers have been created in response to the National Science Foundation's ATE Program, and are funded in part through competitive grants. For more information visit www.nsf.gov/ate

CENTER	WEB SITE	HOST INSTITUTION(S)
15 BATEC – Boston area Advanced Technological Education Connections	www.batec.org	University of Massachusetts Boston and six local community colleges
16 CITE – Center for Information Technology Education	www.cite-tn.org	Nashville State Community College
17 CSEC – Cyber Security Education Consortium	www.cseconline.org	University of Tulsa and the Oklahoma Department of Career and Technology Education
18 CSSIA – Center for Systems Security and Information Assurance	www.cssia.org	Moraine Valley Community College
19 CTC – Convergence Technology Center	www.convergence-technologycenter.org	Collin County Community, El Centro, and Tarrant County NE Colleges
20 CyberWATCH – Cyber Security: Washington Area Technician and Consortium Headquarters	www.cyberwatch-center.org	Prince George's Community College
21 iTEC – Information Technology Education Center in Florida	www.itecfl.org	Daytona Beach and Seminole Community Colleges
22 KITCenter – Kentucky Information Technology Center	www.kitcenter.org	Kentucky Community and Technical College System
23 MCIT – The Midwest Center for Information Technology	www.midwest-centerforit.org	AIM Institute and 10 community colleges in IA, NE, ND, and SD
24 NWCET – National Workforce Center for Emerging Technologies	www.nwcet.org	Bellevue Community College
25 CARCAM – Consortium for Alabama Regional Center for Automotive Manufacturing	www.carcam.org	Central Alabama Community College
26 CNME – Center for Nanofabrication Manufacturing Education	www.cneu.psu.edu	Pennsylvania State University and the PA Commission for Community Colleges
27 FL-ATE – Florida Advanced Technological Education Center	www.fl-ate.org	Hillsborough Community and St. Petersburg Colleges
28 MATEC – Maricopa Advanced Technology Education Center	www.matec.org	Maricopa County Community College District
29 MatEd – National Resource Center for Materials Technology Education	www.materials-education.org	Edmonds Community College
30 NCME – The National Center for Manufacturing Education	www.ncmeresource.org	Sinclair Community College and the University of Dayton
31 RCNGM – Regional Center for Next Generation Manufacturing	www.nextgenmfg.org	Connecticut Community Colleges' College of Technology
32 SCME – Southwest Center for Microsystems Education	www.scme-nm.org	Central New Mexico Community College
33 The TIME Center – Technology and Innovation in Manufacturing Education	www.time-center.org	The Community College of Baltimore County
